

IMPORTANT

This document is for lawyers who are familiar with transactions of this type involving the Pension Protection Fund (the "PPF"). It is not a comprehensive guide to the legal and practical issues that may arise on a deal-specific basis, and must be adapted on a deal-specific basis.

EXPLANATORY NOTES

1 Master version

- 1.1 This is the master version of the PPF Precedent Guarantee and Debenture. It documents the terms upon which the PPF may be prepared, *inter alia*, to take security over the assets of a company or a group of companies (as guarantors and chargors, together referred to as the 'Chargors' in this precedent) in respect of the liabilities owed under a loan note as part of a package of measures in a restructuring.
- 1.2 It should be used in conjunction with the PPF Precedent Loan Note Instrument (master version), the PPF Precedent Shareholders' Agreement (master version) and the PPF Precedent Articles of Association.

2 Drafting points

- 2.1 References to specific clauses in the Guarantee and Debenture may change depending on which clauses are deleted. Any renumbered clauses will need to be tracked through the document.
- 2.2 References to specific clauses and definitions in any intercreditor agreement or deed and the Loan Note Instrument may change depending on what is contained in those documents.
- 2.3 Where the obligations under more than one type of loan note are to be secured, the additional loan note instruments will need to be included as part of the secured liabilities in this deed.
- 2.4 This precedent is drafted on the basis that security is to be granted over assets situated in England and Wales by a company or companies incorporated with liability limited by shares in England and Wales. You should take specific advice if this is not the case, eg any of the charging companies are a limited liability partnership, an unlimited company or is incorporated outside England and Wales (including Scotland, Northern Ireland, the Republic of Ireland, the Isle of Man or the Channel Islands).
- 2.5 If floating charges only are required over certain assets, delete the relevant provisions of Clauses 4.1 to 4.15 (inclusive) and rely on the floating charge created by Clause 4.16.
- 2.6 The Guarantee and Debenture assumes full diligence has been completed on the Chargors' assets, particularly in relation to any key assets that they may hold. Consider information provided to TPR, the Trustees' accountants report, any Lender due diligence and the relevant clearance application. Consider also the extent to

which there may be prohibitions on taking security over the Chargors' assets (eg intercreditor arrangements, prohibitions on assigning agreements).

- 2.7 This Guarantee and Debenture will need to be registered at Companies House against every Chargor within 21 days of signing. Further registrations may also be needed if security is taken over certain other assets (eg land, intellectual property). You should take advice in relation to this.
- 2.8 Certain formalities may be required to perfect security under the Guarantee and Debenture (eg assigned agreements, bank accounts). In certain circumstances, this may affect the Companies' relationships with third parties. You should take advice in relation to this.

2 [Guarantee²²

2.1 Guarantee and indemnity

Each Chargor irrevocably and unconditionally jointly and severally:

- 2.1.1 guarantees to the Secured Party punctual performance by each other Chargor of all that Chargor's obligations under the Transaction Documents;
- 2.1.2 undertakes with the Secured Party that whenever another Chargor does not pay any amount when due under or in connection with any Transaction Document, that Chargor shall immediately on demand pay that amount as if it were the principal obligor; and
- 2.1.3 agrees with the Secured Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal it will, as an independent and primary obligation, indemnify the Secured Party immediately on demand against any cost, loss or liability it incurs as a result of a Chargor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Transaction Document on the date when it would have been due. The amount payable by a Chargor under this indemnity will not exceed the amount it would have had to pay under this Clause 2 if the amount claimed had been recoverable on the basis of a guarantee.

2.2 Continuing guarantee

This guarantee is a continuing guarantee and shall remain in force notwithstanding the liquidation, administration or dissolution of any Chargor or the appointment of a receiver or administrative receiver of all or any part of a Chargor's assets. It will extend to the ultimate balance of sums payable by any Chargor under the Transaction Documents, regardless of any intermediate payment or discharge in whole or in part.

2.3 Reinstatement

If any discharge, release, accounting or arrangement (whether in respect of the obligations of any Chargor or any Security for those obligations or otherwise) is made by the Secured Party in whole or in part on the basis of any payment, security, recovery or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then:

- 2.3.1 the liability of each Chargor and the Security created by that Chargor under this Deed will continue or be reinstated as if the payment, discharge, release, accounting or arrangement had not occurred; and
- 2.3.2 the Secured Party will continue to be entitled to recover the value or amount of that Security or payment from that Chargor as if the payment, discharge, avoidance or reduction had not occurred.

²² Delete Clause 2 altogether if there is only one Chargor and hence no guarantee.

2.4 Waiver of defences

Neither the Security created by this Deed nor the obligations of each Chargor under this Deed will be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Deed (without limitation whether or not known to it or any Secured Party or Party) including:

- 2.4.1 any time, waiver or consent granted to, or composition with, any Chargor or other person;
- 2.4.2 the release of any other Chargor or any other person under the terms of any composition or arrangement with any creditor of any person;

- 2.4.4 any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Chargor or any other person;
- 2.4.5 any amendment, novation, supplement, extension or restatement (however fundamental and whether or not more onerous) or replacement of a Transaction Document or any other document or Security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Transaction Document or other document or security;
- 2.4.6 any unenforceability, illegality or invalidity of any obligation of, or any Security created by any person under any Transaction Document or any other document;
- 2.4.7 any insolvency, liquidation, administration or similar procedure; or
- 2.4.8 any transfer of the Security created by this Deed in accordance with the terms of the Transaction Documents or pursuant to law.

2.5 Chargor intent

Without prejudice to the generality of Clause 2.4 (*Waiver of defences*), each Chargor expressly confirms that it intends that the Security created by this Deed and the guarantee given in this Clause 2 shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Transaction Documents and/or any facility or amount made available under any of the Transaction Documents for the purposes of or in connection with any of the following:

2.6 Immediate recourse

Each Chargor waives any right it may have of first requiring the Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or Security or claim payment from any person before claiming from that Chargor under this Deed. This waiver applies irrespective of any law or any provision of a Transaction Document to the contrary.

2.7 Appropriations

During the Security Period, the Secured Party (or any trustee or agent on its behalf) may:

- 2.7.1 refrain from applying or enforcing any other moneys, Security or rights held or received by it (or any trustee or agent on its behalf) in respect of amounts which may be or become payable by the Chargors under or in connection with the Transaction Documents, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- 2.7.2 hold in an interest-bearing suspense account any moneys received from any Chargor or on account of any Chargor's liability under the Transaction Documents.

2.8 Deferral of Chargors' rights

- 2.8.1 During the Security Period, and unless the Secured Party otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Transaction Documents or by reason of any amount being payable, or liability arising, under this Deed:
 - (a) to receive or claim payment from or be indemnified by a Chargor;
 - (b) to claim any contribution from any other guarantor of, or provider of Security in respect of, any Chargor's obligations under the Transaction Documents;

- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Party under any Transaction Document or of any guarantee or Security taken pursuant to, or in connection with, the Transaction Documents by the Secured Party;
- (d) to bring legal or other proceedings for an order requiring any Chargor to make any payment, or perform any obligation, in respect of which any Chargor has given a guarantee, undertaking or indemnity under Clause 2.1 (Guarantee and indemnity) of this Deed;
- (e) to exercise any right of set-off against any Chargor or to invoke or benefit from the any equitable remedy which may be afforded to the Chargor in relation to indemnification from any other Chargor or the principal debtor or any similar or analogous rule or principle; and/or²³
- (f) to claim or prove as a creditor of any Chargor in competition with the Secured Party.

2.8.2 If a Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Party by the Chargors under or in connection with the Transaction Documents to be repaid in full on trust for the Secured Party and shall promptly pay or transfer the same to the Secured Party or as the Secured Party may direct for application in accordance with Clause 11.4 (Application of moneys) of this Deed.

2.9 Release of Chargors' right of contribution

If any Chargor (a Retiring Chargor) ceases to be a guarantor in accordance with the Transaction Documents or otherwise, then on the date such Retiring Chargor ceases to be a guarantor:

²³ This refers to the cases arising in the rule against double proof in insolvency and the equitable remedy in indemnification in *Cherry v Boulton* in (1839) EWHC 3027 (Ch). The Supreme Court in *Kaupthing Singer and Friedlander UKSC 48 (2011)* held that where the rule against double proof in insolvency existed a party could not also claim the equitable remedy under *Cherry v Boulton*. Here the debt should be paid in full before the guarantor claims against the principal debtor or claims are made from a guarantee.

2.10 Additional Security

The guarantee set out in Clause 2 of this Deed is in addition to and is not in any way prejudiced by, and shall not merge with, any other guarantee, contractual right or Security now or in the future held by, or available to, the Secured Party.

2.11 Guarantee limitations

This guarantee does not apply to any liability to the extent that it would result in this guarantee constituting unlawful financial assistance under any applicable provisions under the laws of the jurisdiction of incorporation of any Chargor and, with respect to any New Chargor, is subject to any limitations set out in the Security Accession Deed applicable to that New Chargor.

²⁵ Delete if no derivative contracts.

²⁶ Delete if no assigned agreements.

²⁷ Consider making Secured Party co-insured as condition to signing. Check whether this is the correct approach if the Secured Party and/or PPF may be taking on undertakings if the co-insured structure is used. If not check with the broker about the method to have the interest of the Secured Party/PPF noted on the policy and instructions at default to make direct payments. This does not envisage the PPF or Secured Party is co-insured. If so consider what asset is available to secure.

The Secured Party may set off any matured obligation due from [the/a] Chargor under the Transaction Documents (to the extent beneficially owned by the Secured Party) against any matured obligation owed by the Secured Party to [the/that] Chargor.

26 Partial invalidity

If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

27 Remedies and waivers

No failure to exercise, nor any delay in exercising, on the part of the Secured Party, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law.

28 [Chargors' Agent

28.1.1 Each Chargor (other than the Company) by its execution of this Deed irrevocably appoints the Company (acting through one or more authorised signatories) to act on its behalf as its agent (the "**Chargors' Agent**") in relation to any Transaction Document and irrevocably authorises:

- (a) the Company on its behalf to supply all information concerning itself contemplated by this Deed to the Secured Party and the PPF and to give and receive all notices, instructions and other communications, to sign all certificates, to make such agreements and to effect the relevant amendments, supplements, variations and waivers capable of being given, made or effect by any Chargor notwithstanding that they may affect that Chargor, without further reference to or the consent of that Chargor; and
- (b) the Secured Party and the PPF to give any notice, demand or other communication to that Chargor pursuant to the Transaction Documents to the Company,

and in each case the Chargor shall be bound as though the Chargor itself had given the notices and instructions or executed or made the agreements or effected the amendments, supplements or variations, or received the relevant notice, demand or other communication.

28.1.2 Every act, omission, agreement, undertaking, settlement, waiver, amendment, supplement, variation, notice, instruction or other communication given or may be the Chargors' Agent or given to the Chargors' Agent under any Transaction Document on behalf of another Chargor in connection with any Transaction Document (whether or not known to any other Chargor and whether occurring before or after such other Chargor became a Chargor under this Deed) shall be binding for all purposes on that Chargor as it that Chargor had expressly agreed, executed, made, given or concurred with it or received the relevant notice, demand or other communication. If there is any conflict between any notices or other communications of the Chargors' Agent and any other Chargor, those of the Chargors' Agent shall prevail.]³⁷

29 Amendments and waivers

Subject to Clause 1.7 (PPF Consents), any provision of this Deed may be amended or waived only with the written consent of the [Chargor/Company] [(for itself and as Chargors' Agent)], the Secured Party and the PPF.

30 Counterparts

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

31 Governing law and enforcement

31.1 Governing law

English law governs this Deed, its interpretation and any non-contractual obligation arising from or connected with it.

31.2 Jurisdiction

31.2.1 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a Dispute).

31.2.2 The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

31.2.3 This Clause 31.2 is for the benefit of the Secured Party and the PPF only. As a result, the Secured Party and the PPF shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Party and the PPF may take concurrent proceedings in any number of jurisdictions.

31.3 [Service of process]

31.3.1 Without prejudice to any other mode of service allowed under any relevant law, each Chargor:

³⁷ Do not include if only one Chargor or if this Chargors' agency provision is included in other Transaction Documents. Also consider whether this is required if an obligor's agent has appointed.

- (a) irrevocably appoints the Company as its agent for service of process in relation to any proceedings before the English courts in connection with this Deed; and
- (b) agrees that failure by a process agent to notify that Chargor of the process will not invalidate the proceedings concerned.

31.3.2 If the Company (on behalf of all the Chargors) is unable for any reason to act as agent for service of process, it must immediately (and in any event within seven days of such event taking place) appoint another agent on terms acceptable to the Secured Party and the PPF. Failing this, the Secured Party and the PPF may appoint another agent for this purpose.]³⁸
